

Academic Qualifications			
Year	Degree/Certificate	Institute	CGPA/%
2022 - Present	B.Tech (Software Engineering)	Delhi Technological University	8.1/10
2022	CBSE (XII)	Army Public School, Ranchi	93.8%
2020	CBSE (X)	Army Public School, Dehradun	96.4%

Work Experience

- Quant Analyst Intern | Futures First

(Jan'26 – Present)

 - Integrated financial data APIs to fetch stock time-series data (open, high, low, close).
 - Processed and structured datasets for efficient querying and analysis.
 - Applied statistical models (cointegration, mean-reversion) to derive insights from time-series data.
- Frontend Developer Intern | Employwise

(May'25 – Nov'25)

 - Built cross-platform UI for an employee app using TypeScript, React Native, and React, with reusable components.
 - Ensured responsive design and smooth usability across Android, iOS, and web, maintaining consistency.
 - Integrated backend APIs for transactions and entity management, ensuring accurate data flow across platforms.
 - Collaborated with QA to test features, validate UI behavior, and ensure consistency and reliability.
- Software Developer Freelance | Adolaa

(Feb'24 – Apr'24)

 - Led frontend development of a web application from designs using Next.js, ensuring responsive UI.
 - Implemented server-side rendering (SSR) for dynamic pages, improving performance and SEO.
 - Integrated frontend with backend APIs and contributed to backend using Node.js + Express.js and MongoDB.
 - Built reusable UI components and optimized user experience across devices and screen sizes.

Academic Projects

- AI-Powered Interview-Quiz Web App | React, Next.js, MERN, OpenAI API

[Click Here](#) | [GitHub](#)

 - Developed integrated services and APIs for interviews using OpenAI API for evaluation and follow-up generation.
 - Integrated Razorpay API for secure payments, implementing paid/unpaid access, dynamic pricing, and transactions.
 - Implemented voice processing pipeline with audio transcription for response evaluation and storage.
 - Built authentication system using JWT for secure login, signup, and session management.
 - Designed admin dashboard to manage users, subscriptions, and payments, with supporting APIs for data control.
 - Developed responsive frontend interfaces using Next.js for seamless interaction with backend services.
- Real Time English Learning App | React Native, React, WebRTC, Razorpay API

[APK Link](#) | [GitHub](#)

 - Developed integrated services and APIs for real-time learning, integrating OpenAI API for quiz evaluation.
 - Integrated WebRTC for real-time voice and video calls, enabling peer-to-peer communication.
 - Integrated Razorpay API for payments, implementing dynamic pricing and subscription handling.
 - Built authentication and data systems for managing users, sessions, and learning progress.
 - Designed admin dashboard to manage users, content, and analytics via backend APIs.
 - Developed responsive mobile frontend using React Native for seamless interaction with backend services.
- Expense Analysis-Prediction Web App | React, MongoDB, Express, Node, TensorFlow

[Click Here](#) | [GitHub](#)

 - Developed a full-stack finance app with React for recording income, expenses, profit/loss, ratios, and taxes.
 - Integrated Excel upload/download, with data managed via Node.js + MongoDB and visualized in Recharts.
 - Built scalable RESTful APIs with Express.js for CRUD operations and a responsive React.js frontend.
 - Implemented a TensorFlow module to forecast income/expenses for smarter budgeting.

Technical Skills

- Programming Languages:** C++, Python, JavaScript, C, HTML, CSS
- Development:** React, Next.js, Tailwind CSS, TypeScript, JavaScript, REST APIs, Node.js, JWT, MongoDB
- Core CS:** Data Structures and Algorithms, DBMS, Operating Systems, OOPS, Computer Networks

Academic Achievements and Awards

- Secured All India Rank (AIR) 7582 in JEE Main and AIR 6692 in JEE Advanced, qualifying for top-tier IITs.
- Qualified for the prestigious Indian National Mathematical Olympiad (INMO) conducted by the National Board for Higher Mathematics (NBHM). Placing among top 20 students in Uttarakhand.
- Won Navodaya Mathematical Contest ranking 1st in Madhya Pradesh.

Extra-Curricular Activities

- Winner, AdVerve – Advertisement Case Contest at Commerce Fest, DSC – Delhi University
- Student Mentor at Desh Ke Mentor, an initiative by Govt. of NCT of Delhi
- Active Member of E-Cell, Cultural Council, and Panache (Fashion Society)
- Founder of a consultancy startup Brandoverrt
- Served as Corporate Executive in Retract organising Annual Diwali Mela at DTU
